

*"I wanted to create an inviting space and my website does that... It's so good! Oh, I've got goosebumps!" – Lisa Walsh*

Beacon Executive Coaching offers business, individual, and team coaching that illuminates your path forward.

## CHALLENGE

Lisa Walsh, founder of Beacon Executive Coaching, needed a brand-new website for her new business.

Lisa shared that she was in "absolute terror, because I consider myself one of the least creative people known to man!"

"I knew I would need something incredibly creative and connected emotionally to my audience. And that is not my strong suit."

## SERVICES

**All-In-One Website Services:** website strategy, logo, website structure & copy, website development, testing, and support.

## TIME FRAME

4-weeks

## PLATFORM + TECHNOLOGY

**Website Platform:** Squarespace

**Other Technology:** Google G-Suite account, company email setup, calendar transfer, DNS records, Google Analytics and Google Console setup.

## SOLUTION

"What surprised me the most is how easy you made it for me. I never felt uncomfortable asking a question. I never felt like any question was too dumb to be asked."

*"There is no hesitation in my mind that people will be thrilled if they meet you and work with you. I will always recommend you!" – Lisa Walsh*
